# Declutter & Donate for RMHC UK!

## Clean up and clear out unwanted items, all while raising funds for Ronald McDonald House Charities UK!

A clear out doesn't have to just be for Spring, it's always a great time to sort out your home, garden, garage, and workspace!

Remember, one person's trash is another person's treasure, so give your items a chance at a new life, and sell them somewhere like eBay or Music Magpie.

You can then donate the profits to us, and even challenge your friends and family to do the same to see who can raise the most!

Feel renewed and refreshed, all while supporting families with children in hospital in our 12 Houses across the UK.

Visit [www.rmhc.org.uk/declutter-and-donate/](http://www.rmhc.org.uk/declutter-and-donate/) for more information, or get in touch at [info@rmhc.org.uk](mailto:info@rmhc.org.uk), we would love to hear from you!
