Our stories

Unexpected complications: Lilly's story

When 10-year-old Lilly was just five, an accident at a trampoline park caused her to break her leg and left her needing surgeries, including the insertion of a metal plate. On 10 May 2021, Lilly went into Noah's Ark Children's Hospital in Cardiff, for what should have been a routine procedure to have the plate removed. However, whilst she was being anaesthetised, unexpected complications arose as Lilly's airways closed, leaving her in a critical condition and in intensive care for several days.

Thankfully, after moving from intensive care to Owl Ward, where she spent another two weeks, Lilly finally got to go home. Lilly and her mum Amy are now hoping to fundraise thousands of pounds for Ronald McDonald House Charities UK, after Amy was accommodated at the Cardiff House during Lilly's unexpected hospital stay.

Fearing the worst: Sienna's story

When Marie's waters broke at 24 weeks pregnant with her second child, she was fearing the worst. Doctors said Marie's baby girl would have a 50/50 chance of survival. Two days later, Marie, from Eastbourne in East Sussex, gave birth to tiny baby Sienna at Brighton University Hospital. She weighed just 1lb 7oz. Sienna stayed in hospital for 96 days, during which time her family was accommodated at the Ronald McDonald House Brighton.

We call ourselves 'operation buddies': Noah's story

Noah, from Reading in Berkshire, was just four weeks old when he was diagnosed with congenital nephrotic syndrome, a condition causing the kidneys to leak large amounts of protein into the urine. The first child of his parents Jessie and Thomas, Noah spent the first six months of his life in hospital, during which time Ronald McDonald House Southampton provided free 'home from home' accommodation for his family.

In November 2021 baby Remy arrived, making Noah a proud big brother and just three months later, after several years of infusions and dialysis, Noah finally received a kidney transplant. Dad Thomas was his donor and they became 'operation buddies'. Noah is now back at nursery and looking forward to starting school in September.
